OFFICE OF PETITIONS

In re Application of
Marcotte, et al.
Application No. 09/493,401
Filed: January 28, 2000
Attorney Docket No. 07419-023001

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed April 4, 2002, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.137(b)." This is **not** a final agency decision within the meaning of 5 USC 704.

The above-identified application became abandoned for failure to timely file a reply to the non-final Office action mailed March 15, 2001, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on June 16, 2001. A Notice of Abandonment was mailed on February 27, 2002.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(d).

The instant petition lacks item (1), the required reply. Petitioner has failed to submit a reply to the non-final Office action mailed March 15, 2001.

A copy of the March 15, 2001 Office action is enclosed for petitioner's convenience.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made

as the result of a reasonable inquiry into the facts and circumstances of such delay.¹ In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

Further correspondence with respect to this matter should be addressed as follows:

By mail: Commissioner for Patents
Box DAC
